Subject: Funding year 2004 Selective Review Follow-Up Questions

This FAX is a follow-up to the information Marieglorie Zapata sent to Jennifer Hung on October 15, 2004 regarding our selective review of **COLEGIO CORAZON DE**

MARIA. I've taken over Jennifer Hung's responsibilities for completing this selective review. In this letter we are requesting the approved operating budget for this school. The budget that was sent is not labeled the approved operating budget.

It is important that we receive all of the information requested by the <u>close of business</u>

February 18, 2005. If we do not receive the information by then, your application will be reviewed using the information currently on file, which could result in a reduction or denial of funding. If you need additional time to prepare your response, please let me know as soon as possible. Please fax or e-mail the requested information to my attention. If you have any questions please feel free to contact me.

-1-

BUDGET:

- At this time, do you have an approved operating budget for 2004-2005? If so, please submit an operating budget for 2004-2005 showing <u>both</u> revenues and expenses, indicating where your portion of e-rate is allocated.
 - > State that it is the approved operating budget.
 - > Be sure to specify the name of the school to which the budget applies.
 - Please clearly specify the <u>time frame</u> that the budget covers, including a starting date and ending date (for example, July 1, 2003 Jun 30, 2004).
 - > Writing on the actual budget, place an arrow next to each fund/budget line, on BOTH the revenue and expense side of your budget, showing where you have allocated the necessary dollars for your share of E-Rate. Please write the

specific amount that will come from each fund/budget line. For example, if budget line A002 contains \$200,000 and \$130,000 will be used to pay your share of E-Rate, then please draw an arrow to line A002 and write "E-Rate, \$130,000."

- Please DO NOT point to the overall total budget line. You must point to the proper individual budget line. Do this for both Expenses & Revenue(income).
- Note: if a final, approved budget is provided; we may verify that budget with independent sources
- If an approved budget is still not available or in the early stages of an approval process, we will need two items. The first is a letter signed by a school or library official (superintendent, board president, chief business administrator). This letter should explain what phase of the approval process you are in, whether your share of funding is contingent on any outside action (e.g. voter approval, board approval, state legislation, etc.) and whether in the absence of such outside approval, you anticipate being able to meet your share of the E-RATE amount. Also make sure that the letter identifies the specific amount that you will have available to pay your share. For example, if you have \$100,000 that you will be putting in your budget, make sure that that is noted in the letter. In addition to that letter (and in lieu of a finalized budget), we will need one of the following as noted below:
 - A draft budget for FY 2004-2005 showing both revenues and expenses indicating from where your portion of e-rate is coming.
 - A resolution of a governing Board authorizing the filing of a Form(s) 471 for a given dollar amount, for given services and/or products, within a given timeframe. For us to consider such a resolution sufficient evidence that your entity has provided for payment of your share of E-rate, the resolution should specify the funding year, the fiscal year, or the school year during which the payment is authorized.
 - Figure 1 If donations (or other dollars from any contributor) are a source, a signed commitment letter from the donor (e.g. school or library foundation) to the applicant specifying 1) the level and commitment of funds or other resources; 2) the timing of the delivery of such resources, along with a positive indication that the resources are for E-rate supported products/services or for items needed to use effectively with the discounted services. (The indication as to the use of the resources might come from the donor or be reflected in a Board resolution committing donations to E-rate related purposes.)
 - Please note: If a final, approved budget is not available, we require a combination of a letter (described above) AND one of the bulleted examples above. We require both, not one or the other.

Please do not hesitate to call me, should you have any questions. Thank you for your cooperation and remember that any information requested must be faxed or e-mailed within 7 calendar days from today. If you need additional time to prepare your response, please let me know as soon as possible. If you are going to send e-mail to me, please make sure that at the end of your e-mail you have your Full Name and Official Title. Please call me if you have questions at 973-581-6738

Thank you.

To Whom It May Concern:

Within the Superintendence of Catholic Schools of the Archdiocese of San Juan, exist a group of schools directly administered by our office. This group of schools is united under a consortium known as "Colegios Arquidiocesanos de San Juan".

Some of the budgets presented by these schools reflect an operational deficit in their net income. Nevertheless, these schools financial stability is backed up by the consortium as a whole.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual funding requests submitted on a form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

- An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
- An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
- 3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on your Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The date services were reported to start for this FRN on your Form 471.

CONTRACT EXPIRATION DATE: The date the contract expires. This a contract expiration date was provided on your Form 471. This will be present only

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. present only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

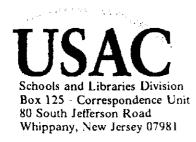

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 231, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD ${\bf has}$ approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."
